

Time After Time

EXtra

Time Enough For Love

I never
thought I
would be
attracted to
a girl.

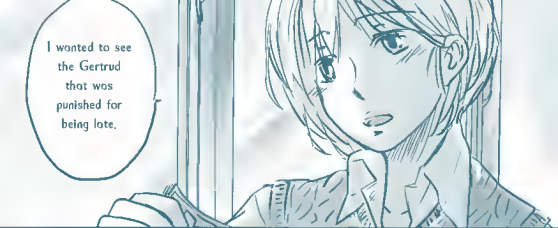

Until now I
thought I was
the only person
like this.

A person is seen from the chest up, looking out of a window. The window frame is dark, and the view outside is a bright, overcast sky with a few small, dark, teardrop-shaped marks floating in the air. The person's hair is dark and short.

It has been half a year since we met in winter, but to me our frequent meetings were no different from being alone.

A person is sitting at a desk, looking down at a book or paper. Their hands are clasped together on the desk. The person has long, dark hair tied in a ponytail. The desk is dark, and the background is a light, textured wall.

That you would find me as soon as school was over makes me very happy, but what are you here for Erica?

I wanted to see
the Gertrud
that was
punished for
being late.

I wanted
to see your
expression.

There is
always a
distance
between us.

Isn't that
because
of you!

An
embarrassed
expression from
you is rare!

We are
always
like this.

*At least,
I am...*

*But people
are always
greedy.*

*Actually, I do
like the way
we are now.*

Was
it that
obvious?

I think you
have wished
for this for quite
a while now right?
Since you were
always so busy.

But because
of this we
are able to
meet each
other.

But that
book...

Don't
mind me.

What
exactly are you
referencing to!

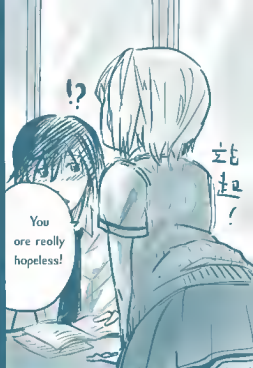

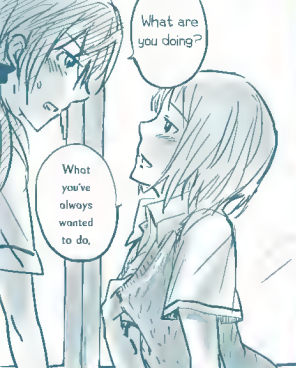

The count(?)
gave me this
as reference.

What
are you
doing
with
that?

I'm not a
pervert!

It's what
you like.

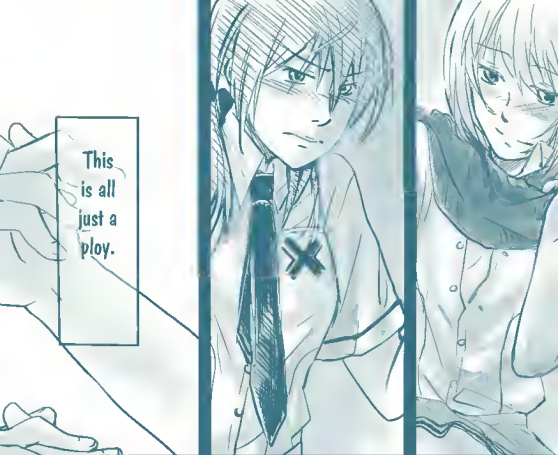

I never know what
she's thinking but
she understands
me very well.

Because I knew she read me very well, I hoped that by listening to her.

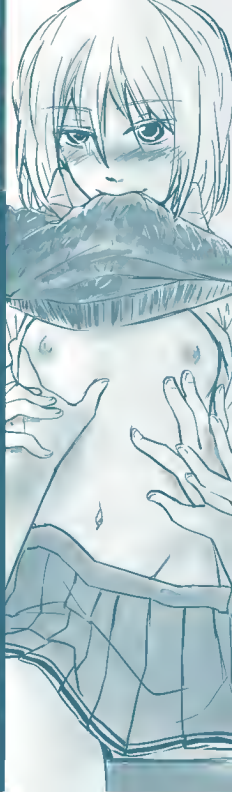

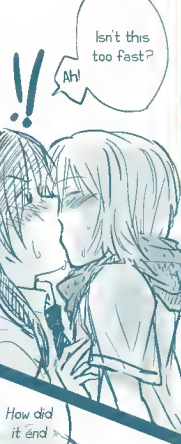

I can get what I've always wanted.

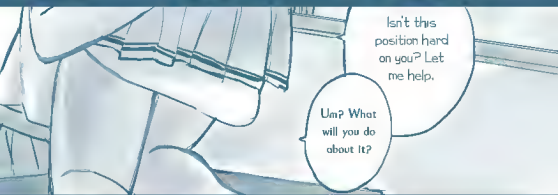

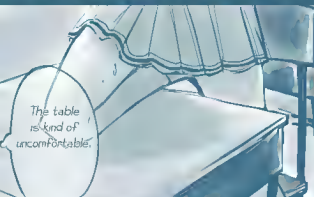

This
is all
just a
ploy.

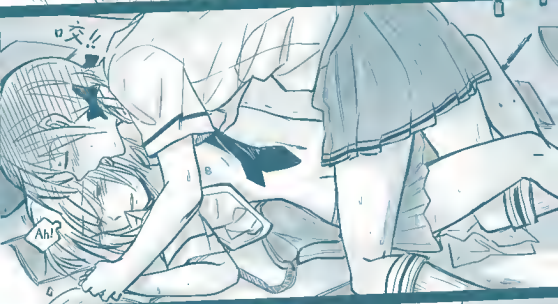

Don't be
so shy.

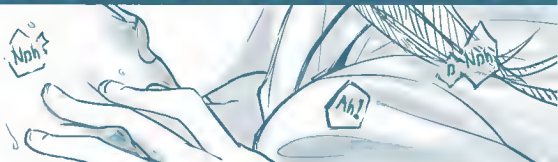

Every part of
her tempts me
so that I can't
control myself.

How come she
is so good
at this?

God has
given me
a difficult
trial.

Because
those things
happened
before...

I must control
myself, least she
shouldn't notice.

What's
this
feeling?

I can't do
anything weird.
Just looking
would be fine
right?

AAAA
AAA!

WAAHH
HHHH!!

Yr?

Ara!
I found
you guys!

Right
now it
seems
like a
dream.

This is
just the
appropriate
punishment.

Then we
didn't even
kiss after
that.

?

Because her
warmth is
transmitted
to me...

But I
know it
isn't a
dream.

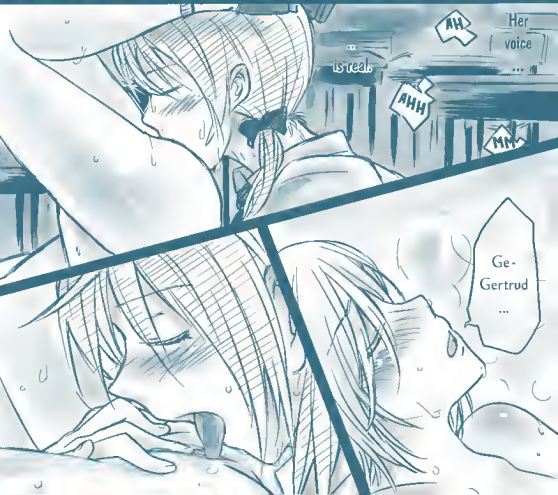

...
is real.

AH

Her
voice
...

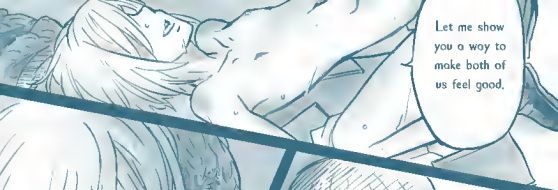

AHH

MM

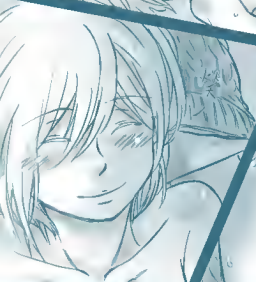

Ge-
Gertrud
...

Let me show
you a way to
make both of
us feel good.

S-
Slowly!

but I
know
that...

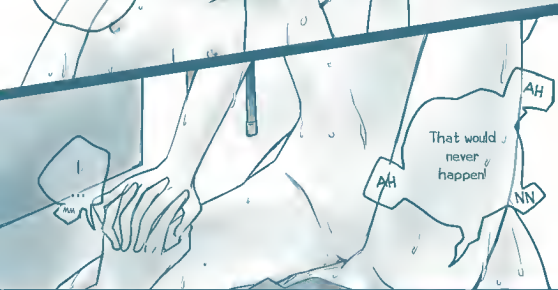

She's
taking the
lead,

This may
just be a
bit regretful.

I can't
guarantee
that you'll feel
good, but...

Will you
hate me
for that?

That would
never
happen!

AH

NN

...

I love you!
And I will
always love
you!

AH

NN

I knew
you would
say that.

That's why I
wanted to hug
her, kiss her,
and love her.

It's the truth.
My heart only
beats for her.

My heartbeat tells me everything.

Feeling her
heartbeat
synchronize
with mine

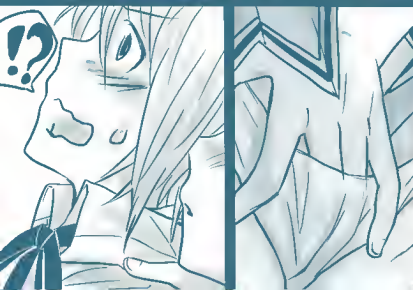

makes me really
happy and thankful
that we were able
to do this.

You can't look
at those erotic
books anymore
after this.

Ok... I'll just
bring them
to you.

This is a new beginning.

Student

member

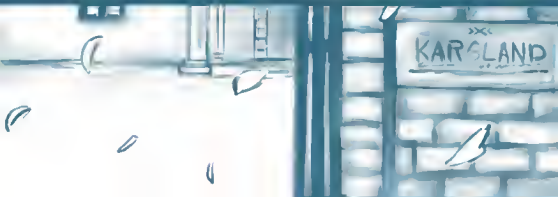

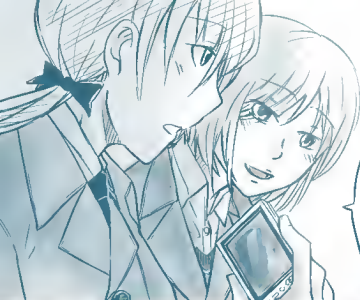

We need a
new form of
communication.

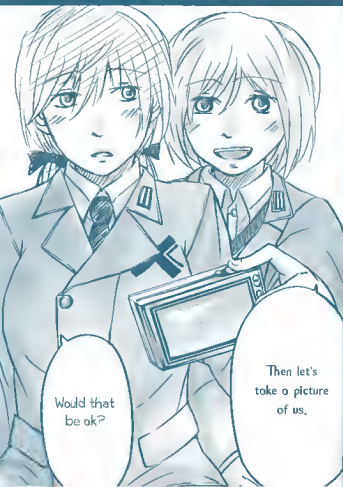

I originally thought this was impossible.

Where did
you get this
camera?

Fuso's last chairman
of the newspaper club
wanted pictures of
the underclassmen.

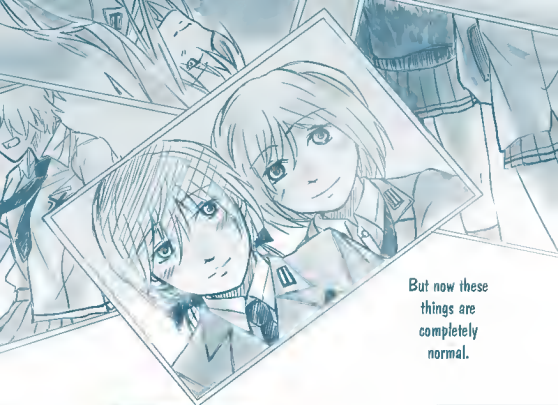

Would that
be ok?

Then let's
take a picture
of us.

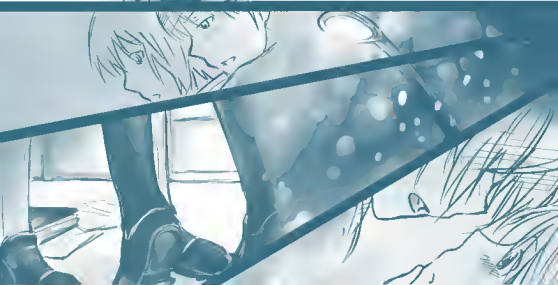

I think I have an
idea of what
she wants to
do with them.

But now these
things are
completely
normal.

It started last winter...

But I
do not
regret it.

I
only
wish
that
this
would
continue
into
eternity.
